

**CLARIFICATION OF SECTION 111, SUBSTANCE ABUSE SERVICE  
BILLING REQUIRMENTS**

All procedure codes, except the following, must have a service provider identification number in block 24K:

**Intensive Outpatient Services - Procedure Code H0015**  
**Methadone Clinic Services - Procedure Code H0020**

You MUST leave block 24K empty for these codes

**Use of Modifier U1**

This modifier is only required when the service is directly provided by "Other Qualified Staff". In this instance, the modifier is entered in block 24D with the procedure code and the licensed clinical supervisor's servicing identification number must be placed in block 24K.
